Thanks to all members for making the **Christmas Party** such a  
success and to **Sally (#170)** for hosting it despite being unwell herself. It was good to catch up  
with old friends and past members. Thanks also to **Willy (#151)** and **Jane (#65)** for hosting two  
very pleasant **Trading Socials** in November and January. Great trading and cake  
scoffing!

### **LOCKS ACCOUNTING**

Francesca, our locks accountant, sent out individual locks statements to all members in  
December and posted a note of summary balances on the website which is also shown  
overleaf. Locks cheques can be brought to a trading social or sent to her at :

Francesca Alaimo,  
CamdenLETS Locks Accountant,  
c/o 26 Richmond House, Park Village East, NW1 3SX

### **LOCKS CHEQUES**

When you need more locks cheques, there are two options. You could make up your own  
chequebook from a contact sheet of cheques supplied as a PDF. Or you could ask for a  
chequebook to be made up for you which you could pick up at a trading social or have posted  
to you. Contact us at [core-group@camdenlets.org](mailto:core-group@camdenlets.org) and let us know.
